

MASSAGE THERAPY GUIDELINES

Massage Therapy codes are for the exclusive use of Licensed Massage Therapists.

Any person who is licensed to practice physical or occupational therapy, medicine, chiropractic, or podiatry may utilize massage as an intervention within his or her scope of practice but shall bill for this intervention using their usual coding method (E & M codes, PT/OT X codes, or Manipulation X codes).

Massage Therapy codes include XMT30 and XMT45 and are all inclusive; only one code per date of service is allowed. Treatment time does not include the time for patient to disrobe prior to a session or to redress afterward.

XMT30 Thirty minute massage therapy session

XMT45 Forty-five minute therapy session

Fees:

XMT30 \$36.00

XMT45 \$49.50
