**Rhode Island Workers' Compensation Medical Fee Schedule Telehealth and
 Telemedicine Rates Per Insurance Bulletin Number 2020-5**

Under Rhode Island Executive Order 20-06 Expanding Access to Telemedicine Services and Rhode Island Insurance Bulletin 2020-5 Emergency Telemedicine Measures – Covid-19 the following telemedicine codes will be assigned temporary fee schedule reimbursement rates increasing rates for telephonic (CPT codes 99441-99443) and online digital (CPT codes 99421-99423 and 98970-98972) evaluation/assessment, management services and Physical/Occupational Therapy to mirror payment rates for an equivalent office visit. When billing for these codes use modifier 95 or CR (catastrophe response) and place of service code 02 (telehealth). Providers should reflect the length of the interaction in their supporting documentation.
